BARTD to Build at Top of Hill

Rapid Transit Here

In these days of soaring taxes, new bond issues, and federal subsidy of nearly everything, Daly City is about to get something for nothing.

The Bay Area Transit, re-jected by San Mateo County voters, will build its end-of-line station at the top of the hill in Daly City, and the cost of the station will not mean added cost to local taxpayers.

The station and a huge parking lot that will provide space for 1,000 cars will be located in an area bounded by Los Banos, Niantic and Hillcrest avenues and will extend to San Mateo avenue along San Pedro avenue.

According to George McDonald, spokesman for BARTD, this facility is favored by voters in San Francisco as the rapid transit trains will cut the congestion of San Francisco traffic.

By locating the station in Daly City, McDonald added, incoming traffic from San Mateo County and Daly City will be lightened. The alleviation of congestion, he said, is the primary concern dictating the

location of the end-of-line station.

McDonald stated that "within the next year BARTD will put a 'fix' on the station and area, the exact location being defined in a 14 month design project to be concluded in mid-1965. The right of way acquisition will begin when the designing is well under way."

The spokesman added that the construction will begin in the second quarter of 1966 and will be one of the last segments of the transit system.

A transit system for San Mateo County is, meanwhile, being envisioned with the recent legislative establishment of the West Bay Authority.

This bill, giving the county board of supervisors the power to set up the transit district at

any time, provides the area with a means to keep pace with BARTD studies on the needs of the area.

If the district is established, it will be its job to develop a master plan for rapid transit. The master plan and any bond issues it may call for will be given to the voters of the county for their approval.

SSF Voters OK School Tax

South San Francisco voters last week granted a 70-cent increase in the school district permissive tax to relieve the pressure of an expanding educational program.

The approval took two elections. Voters approved a 70-cent increase 2826 to 2169. There was an estimated 28 per cent turnout for the balloting.

The retiring superintendent, Charles Davis, was jubilant over the victory.

Davis and the board of education had prepared an alternate plan of austerity had the tax failed. Major cutbacks in the number of teachers, transportation and a decrease in classroom sizes were among the immediate actions contemplated.

Summer school will be held this year because the tax passed. Davis was prepared to eliminate the summer program had the tax been defeated.

Adult education will be re-scheduled for the fall program because the funds have been made available through the successful voting.

D C Council Withdraws Dance Permit

The Daly City City Council voted unanimously in their Monday night meeting to revoke the dance permit held by Ye Olde Firehouse, 2159 Junipero Serra boulevard, on the grounds that the entertainment spot consistently broke a city ordinance prohibiting minors from dancing "where intoxicating beverages are consistently sold."

City Attorney, Paul Hupf stated that "there was a police problem there far beyond normal proportions." There have been numerous complaints in the past six months due to boisterous conduct, and debris being scattered in the area.

Hupf said that the general atmosphere is geared to minors used falsified identification to encourage a young crowd. He added that minors used falsified identification that attempted to establish themselves as being twenty-one.

In violation of the ordinance the management allowed minors to dance after their hands had been stamped with an X, Hupf said.

Co. Assessments Top Billion-Dollar Mark

County assessments for the fiscal year, which started July 1, topped the billion-dollar figure for the first time in history, County Assessor Ralph E. Woodman disclosed this week.

The grand total was \$1,006,912,042, excluding the public utilities roll, which will be set by the state board of equalization. The total, however, includes \$49,360,153 in exemptions for churches, veterans, etc.

Assessor Woodman said appraisers had covered every section of the county in the past year. Particular attention was paid to areas where sales had indicated a marked increase of market values. New construction was the major contribution to the overall boost, however.

The secured roll showed an increase of \$34,788,934 (5.3 per cent) in the incorporated cities for a total of \$691,541,405. The boost in the unincorporated area was \$9,330,503 (5.7 per cent) to \$127,194,516, making the total county secured roll \$818,735,921.

The unsecured roll increased \$10,389,225 to a total of \$97,690,921. Adding the figures for

in lieu assessments and solvent, the grand total comes to \$1,006,912,042.

Pacifica led the cities in percentage of increase with 13 per cent, but San Mateo led in dollar volume with \$7,022,061.

Atherton was low in percentage increases with 1.43 per cent, while Colma had only a \$23,500 gain in volume. Daly City's increase was 4.42 per cent and South San Francisco was 1.93 per cent.

Daly City's general assessment summary of the secured part of the roll shows land, \$13,766,177; improvements, at \$46,654; personal property, \$3,535,075 for a gross total of \$63,956,482.

Jeff Board Elects New Officers

In the opening minutes of Monday night's regular meeting, the Jefferson District board elected new officers for the coming year. Elio Fontana, formerly the vice president, took the presidential gavel, while president James Cooper was elected to the vice president's chair.

Anna Eason remains as clerk of the board, while Lyle Ingels was named Trustee representative. Superintendent Morgan continues as the capacity of Secretary. All of the officers were elected unanimously.

The reorganization board then gave permission to the High School administration to open bids on repairs of the Westmoor heating system. Bids for the repairs, which will restore service to the cafeteria via a new pipe line laid in the roof, will be opened on July 11.

The construction of the Terra Nova addition, including a third story for the main classroom area, proving more expensive in the original bids heard last week, was reviewed in other action by the board. The board decided to accept the low bid, entered by S. J. Amoroso Construction, of San Francisco at \$364,200, subject to approval by the Department of Finance in Sacramento.

The superintendent will appear in Sacramento today to demonstrate that the bid is a bone fide entry. The bid is \$31,000 in excess of the amount allocated by the state for the Terra Nova construction project. If the state refuses the bid then the present plans for the addition will be revised and new bids, based on the revised plans, will be entered.

With exemptions of \$4,706,785, the net total for 1963 is \$459,249,707. This compares with \$56,740,630 for 1962 for a gain of \$2,509,077.

Pacifica's net total jumped from \$19,816,475 to \$22,393,515 or \$2,577,040.

Despite an overall increase in assessments, the county is not expected to improve its position in state board of equalization comparisons. If the present 23.8 per cent of market value ratio holds for the next year, the county will lose ground rather than gain, the county assessor stated. San Mateo County had a ratio last year of 21.4 per cent of market values and this year the estimate is 21.3 per cent.

Woodman predicted that if the state ratio value remains the same as last year, county taxpayers will be subject to the special school equalization tax of about 11 cents as in 1962-63.

The public utilities roll as established last year by the state board of equalization was \$77,197,680, an increase of only two per cent over the previous year. By comparison, state board officials forecast an overall increase of 6.5 per cent for the state. The trend of the board has been to keep utilities assessments at a slower rate of increase than the public roll.

ZIP Code Mail Service Begins In DC, Colma

The Zip Code program designed to speed up mail delivery service began this week in Daly City and Colma. Postmaster Vincent P. Murphy announced yesterday.

The code, a refinement of the zone system formerly used five digit code which identifies each delivery office and enables a more expeditious dispatch of mail to the patron, Murphy stated.

Areas west of Junipero Serra boulevard, including the city of Colma, Westlake, St. Francis Heights, Broadmoor and all areas delivered by rural truck will use 94015; areas east of Junipero Serra, including Sterling Park, Callan Heights, Theresa Terrace, Crocker Tract and the rest of Daly City will use 94014.

Boxes in use at the main postoffice will use 94016.

Postmaster Murphy further requested all patrons to place the proper number following the city and state in the address as:

John Zip,
369 Dennis Street,
Daly City, Calif.—94016.

Every patron of the Daly City postoffice will soon be furnished a Zip code number of his delivery unit.

4000 New Residents Added to Daly City

Residents of Bayshore overwhelmingly voted to annex to Daly City when an 82 percent favorable vote was cast at a special election yesterday.

With 659 votes cast, 543 were in favor of the annexation and 116 opposed the move. There are 922 registered voters in the area to be annexed.

Voting was heavy early at all three of the precincts, but the issue was never in doubt as almost an identical 82 percent of the voters had petitioned for the annexation.

Members of the city council of Daly City will officially canvass the votes at their regular meeting Monday night. Upon acceptance of the canvass, the next step normally is to pass a resolution accepting the results and declaring the area to be annexed to the city.

The area voted into Daly City contains between 4 1/2 and five million dollars in assessed valuation, plus potential industrial land. The 55 business in the Bayshore district have an annual sales tax value of \$90,000 which will now accrue to Daly City.

Bayshore City petitioned to annex to Daly City following moves by the City of Brisbane to annex some 15 square miles of industrial land, including parts of Bayshore City.

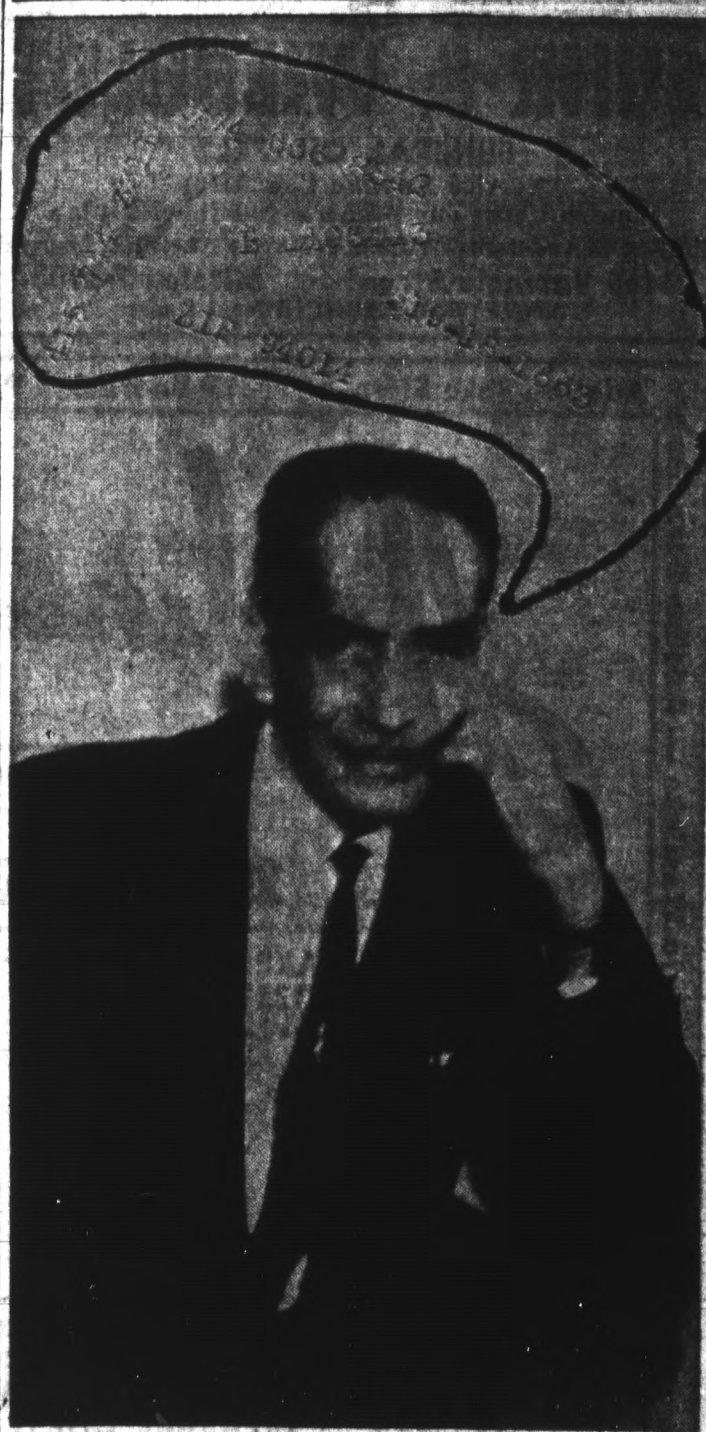

A Bayshore City Citizens' Committee was formed to protect the Bayshore City Sanitary District and Fire District from the move which would remove much valuable tax-paying properties and either increase Bayshore taxes or lower services. From this group came the impetus to annex to Daly City.

Attempts by the Board of the Cow Palace to prevent annexation of that facility to Daly City, including a special bill in the legislature were forestalled by prompt action of the Bayshore Citizens Committee and interested parties in Daly City.

Evening Toastmaster Club Starts In DC

A new evening Daly City Toastmaster's Club for those who find morning hours too tiring will begin Thursday at 7 p.m. at the Westmoor Clubhouse at Edgemont and Filgate.

The club is open to all men over 21 years of age.

ANOTHER NUMBER in a mounting stack of digits that already include Social Security and Selective Service numbers and the new all-digit telephone numbers, is the new Zip code from the United States post office. The new five digit number is designed to speed the sorting of mail and is a step toward the automation of the postal system. The Zip system goes into effect July 1. Taking the whole procedure in philosophic stride is Joe Lowkowitz, well-known Daly City resident.

Communications Center For Daly City Police

A \$17,000 "communications control and central dispatch system" is now being installed in the Daly City police station at 75 Wellington avenue.

To begin 24 hour a day service early next month, the radio system will service police units on one frequency and fire and public works vehicles on another.

This separation of operating frequencies complies with an FCC regulation requiring police radios to be on a band reserved for police calls.

The new communications system will enable the public works department to work directly with their service trucks, thus saving both time and money.

The radio system includes a \$3,300 recording machine which will provide a tape rather than manual log of all calls on the air.

Authorities have estimated that a recorded log saves approximately one man hour per day while insuring complete accuracy of facts and times of all calls. The recording device is comprised of two recordings, one a master tape, the other a tape that can be played back for immediate review of any information.

When the police move their

offices into the proposed new building, the entire system can be moved and expanded from present units.

At present, the communications center will service 17 police units and 24 mobile units of local government. The city will also be able to monitor South San Francisco, Colma, South San Francisco, Pacifica, Colma, Broadmoor, San Francisco and the San Mateo County sheriff's office.

Trailer Court Rejected

A proposal for two major developments, a trailer court on 387 acres at the eastern end of Pedro Valley and a 65-acre commercial and apartment development on Cabrillo highway, between Vallejo and Rockaway Beach, failed to win final approval from the Pacific Planning Commission last week.

Plans for the trailer court development, which have already been under study for months, were held over until July 15 at the request of nearby property owners and the San Francisco water department.

Previously, the commission agreed to rezone the property to a planned community zone, a zoning that was concurred in by councilmen, who referred plans back to planners for final approval.

Ray Whitney, local real estate developer, agreed to drop plans to extend Reichling avenue into his new 65-acre development facing the highway after residents now on the street objected to the increased traffic load.

Instead, Whitney agreed to extend Reichling avenue in a cul-de-sac.

Home Damaged

Damage to the amount of \$110 was done to the home of Mrs. George Nocetti at 108 Wilshire Ave. last week. The damage apparently was caused by youths throwing fruit and staining the paint of the home. Mrs. Nocetti also reported that damage to her fence and garden has been sustained by youths using her back yard as a short cut to the golf club.

Safety Tests For Boatowners This Week In SF

Sunday, June 30, marked the beginning of National Safe Boating Week. The United States Coast Guard Auxiliary happily announced it is striving to make every week safe for boaters.

Courtesy motorboat examinations are made every day of the year by qualified inspector-examiners throughout the state and the nation. The state of California recognizes the auxiliary decal and boats displaying the safety decal will not usually be boarded unless a violation of the law is apparent.

In conjunction with National Safe Boating Week in San Francisco, Flotilla 17 will have examiners stationed at the Harbor Master's office at the Marina Yacht Harbor on Sunday, July 7, to examine boats in that area. There is no charge for this service.

For the trailer boats, there will be examiners stationed at the City Ramp, Pier 54, and at Mission Rock Boat Center, 855 China Basin street, where all boats bearing a decal will be launched free on Sunday, June 30.

Benjamin Franklin was the first American Postmaster General.

Up, Down... Up, Down...

Things were jumping over on Bismark street in Daly City on Monday. In fact, Mary Smith of 43 Bismark street jumped 1,075 times on her pogo stick.

Mary can claim the world's record for pogo stick jumping, the old record being 1,050 leaps, according to Frankie Dove and Ron Oisello, who were witnesses.

The Bureau of Lighthouses was established Aug. 7, 1789, by one of the early acts of the United States congress.

Marine Second Lieut. James A. Honeywell, son of Mr. and Mrs. Wallace H. Honeywell of 615 F street, Colma, made his first solo flight in a military aircraft recently at the Sault Field Naval Auxiliary Air Station at Pensacola, Fla.

The flight was made after a dozen flights of dual instruction in which he learned to take off, maneuver in flight, and land. He also received lessons in basic communications and navigational procedure.

In the months ahead, he will master aerial gunnery, aircraft carrier landing techniques and advanced navigation.

Before entering the service in July, 1958, Honeywell attended Stanford University.

Lucky 7 Delicatessen To Open

The Lucky 7 Liquors at St. Francis Square will soon feature a delicatessen under the same roof, thus putting Rhine wines in walking distance of Swiss cheeses.

California and French rose wines are just up the slope from Danish Gouda, and other European exports. Co-existing with this array is an enormous variety of liquors and beer; an array that makes owner John Mullens an obvious connoisseur of the finer things in life.

The delicatessen, scheduled to open within a week, is owned by John Ferroggiaro and will continue the almost

international theme of the establishment by featuring not only imported cheeses as well as domestic varieties, but also everything from pizza to grilled chickens.

According to Ferroggiaro, Lucky 7 provides free delivery, the service available by calling PL 6-5474.

'Pirates Gold' Treasure Chest At Westlake Shopping Center

"Pirates Gold" will be the theme of an elaborate four-week promotion sponsored by the Westlake Shopping Center Merchants Association.

Almost three million coupons will be published by the merchants for which they will issue thousands of keys to fit the padlocks of three treasure chests filled with "Pirates Gold."

"Aye, but the rub is that only a limited number of the thousands of keys will actually open the locks to permit Westlake Shopping Center customers to share in the Pirates' Gold," asserts Bert Felintont, newly elected president of the Westlake Center's Merchants Association. However, he pointed out that everyone will have a lot of fun trying their keys in the locks and dozens of lucky treasure seekers will share more than \$1,500 worth of merchandise.

Three attractive women pirates will be custodians of the Westlake treasure chests, which will make trying keys in the locks all the more enjoyable.

Special Attractions
Each of the four weeks of the "Pirates Gold" promotion will be highlighted by special weekend activities. The first weekend for Friday and Saturday, July 5 and 6, will include six free stage shows in the center's mall. Roberta's Studio of Daly City will present performances at 2:30, 7 and 8:30 p. m. on Friday and again at 11 a. m., 2 and 3:30 p. m. on Saturday. A special outdoor stage and theater seating arrangement will be provided by the merchants. Five thousand juicy hot dogs and sodas will be served from special stands at the north and south entrances to the main mall in the center at the special price of 12 cents. These tempting refreshments are expected to go fast.

Costume Parade
A pirate costume parade and contest will be held at Westlake Shopping Center, beginning at 10 a. m. on the following Saturday, July 13, for all the kids. No entry blanks are necessary. Youngsters wishing to enter should arrive at the center no later than 9:45 a. m. in pirate or buccaneer costumes for the parade, which will start at the Westlake library corner, Windsor drive and Southgate avenue. The pirate parade will proceed down Southgate to the shopping center, where the costumes will be judged.

There will be free treats and balloons for all boys and girls. Prizes will be awarded for the best "boy pirate" and the best "girl pirate" — or buccaneer. Prizes and treats will be given by the Coca-Cola Bottling Company and Westlake merchants will award merchandise certificates.

Sponsored jointly by the merchants and the Quaker Oats Company, will be a hilarious Ken-L-Ration Kids

Congregation B'nai Israel Services

During the summer months, religious services will be conducted on Friday evenings by members of Congregation B'nai Israel. The services will be shorter in length and will begin at 8:30 p. m. It was announced by Rabbi Solomon A. Shore, spiritual leader of the congregation, who is leaving the city for the month of July in search of rest and recreation.

Rabbi Shore will spend one week in Yosemite National Park, where he will conduct religious services on Saturday, July 13, in behalf of the board of rabbis of northern California. This will mark Rabbi Shore's 15 years of service as chaplain at Yosemite National Park. The rest of the time he will spend at Sonoma and Squaw Valley National Park.

An August 1, Rabbi Shore will resume his duties as spiritual leader and principal of the Religious School, reorganizing the school for the new school year.

Because of the anticipated large registration, parents are asked to fill out the registration blanks which will be sent out to them as soon as possible. A staff of ten teachers will be needed to take care of the new school registration. Parents who wish to have their children get started with their Bar Mitzvas, or get advanced preparation in their Hebrew work should call Rabbi Shore at JU 6-7642, or Leon Benson, chairman of the Sunday School, at JU 6-7026 for Sunday School registration.

Steinhart Aquarium Stages Reopening

The doors swung open last Thursday at San Francisco's fabulous new Steinhart Aquarium after being closed for more than two years for a complete renovation.

Officiating at the reopening was Mayor George Christopher, city dignitaries and trustees and staff of the California Academy of Sciences. Also assisting in the ceremony was "Cecelia," the baby harbor seal recently adopted by the aquarium staff on learning that she had been orphaned on a beach near Pacifica. The role which "Cecelia" proved exciting to the many spectators. Aquatic animals from all

parts of the world we on display in the excitingly decorated 178 individual aquaria. These living gifts have come from many lands: Ceylon, Burma, Thailand, the Philippines, tropical Indo-Pacific, South America, Africa and other points around the globe.

There are automated effects of the tidepool and the coastal tanks never before attempted in any aquarium.

These new features and the host of exotic inhabitants add up to making Steinhart Aquarium the foremost institution of its kind in the Western Hemisphere. The aquarium, as well as

the entire academy, is open every day of the year from 10 a. m. to 5 p. m. The admission is free.

Bay Cruise Planned For Hi-Fi Teeners

Kicking off a summer of fun filled activities, the Hi-Fi Teen Club, sponsored by the Daly City recreation department, is planning a Bay Cruise boat dance for this Saturday night, from 8 to 10 o'clock.

Tickets are on sale each night of this week at the War Memorial Community Center for the price of \$2.50 per person, which includes the Bay cruise, dancing to the music of Dr. Billy and his Interns, refreshments, transportation and insurance.

Buses are scheduled to leave the Community Center at 7:15 p. m. with an approximate return time of 10:45 p. m. A limit of 100 persons has been placed on this activity, which is open to all club members and their guests.

Other summer activities planned for the club, which meets regularly every Wednesday evening from 7:30 to 9:30 o'clock at the War Memorial building, includes a Santa Cruz beach trip, a picnic at Turtle Rock ranch, a trip to the Half Moon Bay, an eighth grade invitational dance, a back-to-school fashion show and a hello dance.

New Firm For North County

Wilson & George Meyer & Company of San Francisco and Eastern Chemical Products, Inc., a subsidiary of Eastman Kodak Company, has jointly announced the acquisition of a 5 1/2-acre site in South San Francisco for expansion to serve the growing plastics and chemical industries of the West. Wilson and George Meyer & Company is western sales representative of the Eastman firm.

Eastman is buying approximately 3 1/2 acres and Meyer is acquiring about two acres next to Eastman's property on Lawrence avenue in the South San Francisco industrial park, just east of the Bayshore Freeway. The land was acquired from the Utah Construction Company.

Plans being prepared by Maher & Martens, architects, San Francisco, call for construction, starting this summer, of 6,000 square feet of office space, a warehouse of approximately 11,000 square feet and loading and special storage facilities on Meyer's property.

Occupancy is scheduled for sometime next spring. Initially, about 35 persons will be employed at the facility. Eastman's purchase of adjoining lands was made in anticipation of future needs.

About one million dollars will be invested in the purchase of the land, the buildings of the first unit and the equipment.

Garden Club Changes Dates Of Meetings

Members of the Pacific Flower Friends Garden Club, at its June meeting, approved a change of meeting place and meeting date.

Beginning in July, the meetings will be held in the Loyal Order of Moose hall, located on Reina Del Mar in the Valle-Mar district of Pacifica. This building is known to many as the Old Valle-Mar Fire House.

In order not to conflict with the lodge's use of the building, the Garden Club meeting date was changed from the third Wednesday to the second Wednesday night of each month. The July meeting will be on Wednesday, July 10, at 8 p. m. at the new address.

The program will be gladiolus. Guests are most cordially invited to attend.

The population of Canada increased 4,229,000 persons, or 30.2 per cent, from 1951 to 1961.

Nearly 100,000 pioneers came west over the Oregon Trail.

Systematic Continues 4.8% Dividends

The board of directors of Systematic Savings and Loan Association of Daly City has voted to continue offering 4.8 per cent plus daily interest on all accounts left over six months.

"This action was taken in view of Systematic's continuing high ratio of reserves to savings accounts and its increasing demand for sound real estate loan investments," said John J. Wuerthner, executive vice president of the association.

Something for Everyone

By Samuel Chandler

By SAMUEL C. CHANDLER "Ehregard," by Isak Dinesen (Karen Blixen) is a modern fairy tale that relates the political repercussions that must have occurred when the princes and princesses in other fairy tales married commoners and all of that sort of thing.

It is a story of a prince who is carefully tutored by a man of letters. At 21, he marries a beautiful princess and goes away to prevent his people from learning a deep secret. The main characters, those who break up the prince's world, are his tutor and his wife's lady-in-waiting.

It is an adult novel by a popular and widely acclaimed story-teller whose works remind us that perfection in men is obtained by association with the good and the bad; the scholarly and the ignorant who walk the world.

The author is a Danish woman who spent her youth in America and Continental Europe, then returned home to marry her cousin, Baron Blixen, who took her to live in Africa.

One of the latest works, "Shadows in the Grass," consists of four short pieces about Africans with whom she associated. In each story the

importance of some events of everyday life over others is underlined with the hindsight of memory.

The first of Miss Dinesen's books to become a best seller was "Seven Gothic Tales." Each story has an eerie quality that sets one brooding about the inconsistencies in the nature of mankind. Already this collection is on college and high school reading lists.

Critics are divided in their evaluation of Miss Dinesen's work. Some admire the vigor and directness of her writing; others her wit and imagination. One man wrote that her work was immensely satisfying as fine needle point. Other reviewers, however, think her "adult fairy stories" are too sweet, lacking in the taste of either good folklore or good fiction. All agree that her works are moving and worth reading.

Other titles by Isak Dinesen are "Anecdotes of Destiny," "Out of Africa," "Winter Tales" and "Last Tales."

The Daly City public library has copies of each of these.

Visit Caverns

Mr. and Mrs. Isi Herrera and four children of 29 Manzanita avenue in Daly City were recent visitors at the Dinosaur Caverns near Seligman, Ariz.

Real Estate Trades New Factor In Home Sales

Home trade-ins and the value of reciprocal relations between metropolitan area and surrounding communities was the subject of a talk by G. C. Kragen, vice-president and general manager of Saxe Realty Co., Inc., before the Marin County Multiple Listing Board recently.

Mr. Kragen pointed out that the real estate business is fast becoming one where a trade-in program is as necessary today as the trade-in program that was developed by the automobile industry many years ago. Saxe Realty

Work Students Need Social Security Cards

Mrs. Mercia Leton Kahn, Social Security Administration district manager, reminded high school seniors entering on their work careers, and students seeking summer jobs, that the time has come to apply for their Social Security cards, if they haven't done so before.

"Most jobs, including temporary summer work, are covered by Social Security," Mrs. Kahn said. "Since many employers won't let people start to work without first seeing their Social Security cards, and there is sometimes a delay before the cards can be issued, we advise the students to apply in advance."

Applications for the cards can be obtained at the Social Security district office at 761 South Van Ness avenue in San Francisco. They are also available at all local post offices, where they may be completed and mailed to the nearest Social Security district office.

Mrs. Kahn stressed that, in the event of the worker's death or disability, Social Security coverage can be as important to young people as it is to those nearing retirement age.

"We see many cases involving younger workers where benefits could never have been paid to them and their families if the worker had not earned Social Security credit for summer jobs," she said.

What Every Woman Should Know About Her Automobile

By WENDY WHEELER

Auto-Torium Feminine Driving Consultant

It's a woman's prerogative to change her mind, so the saying goes, and I take advantage of this privilege whenever I can... it's such fun to move furniture around and then decide that the room would look much better if only the couch were arranged next to the piano and the picture hung slightly more to the left!

Men are so patient (or at least they try to be) when we women are being creative. But believe me, their patience wears out to a frazzle when we try to change our minds in the middle of a highway!

Lane changing is a complicated art, I am convinced, and I just haven't been able to master it yet. But in order not to antagonize the male sex any more than necessary, I'm going to make a great effort to learn how to play this game.

This much I know... unless you are overtaking or passing another car, you should drive in the right-hand lane. (That's the slowest one, but on these superhighways even that isn't very slow.) If you feel brave enough to change lanes, be sure to use hand or directional signals so that other drivers have some inkling of what you're up to!

Those little lamps that flicker on and off sometimes burn out, and while you hear the clicking noise in your car, they may not be working... so have them checked every once in a while. Use signals when you are going to slow down or stop suddenly, too, so that the car behind you has enough time to stop.

After signaling, check your rear view mirror to make sure no cars are approaching in the passing lane, or that the car behind you isn't about to pass you, then make your move. Better make sure that the car you're passing isn't about to pass the car in front of him or it could get pretty crowded in that lane! "Side-swipe" accidents are more often the result of not looking before pass-

ing than anything else.

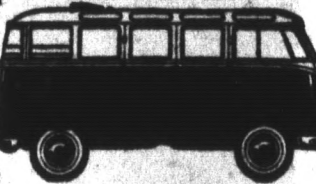

I often wondered why so many cars in the garage have their left rear fenders dented... (is there a magnet hidden underneath?)... and so I asked the attendant. He explained to me that this is a pretty good indication that the driver didn't have a rear outside mirror, and that he couldn't see what was coming behind him in his "blind spot." Blind spot? That was enough to send me scurrying down to Auto-Torium where they carry a wide selection of these safety items. Now I have a lovely outside mirror on my car and I feel much better.

Anyway, once you've passed the car so that you can clearly see him in your mirror, then pull back into the right-hand lane. On the old two-lane roads, the object of passing was to get it over with in a hurry, but these superhighways are the kind that make it necessary to pass well ahead of time, and to get a good distance beyond the car before pulling back into line.

I don't like to drive fast,

but I've learned that the pokey driver is often as dangerous as the speed demon... he (or she) can be the cause of someone else having to brake suddenly or to change lanes abruptly... neither of which is a very safe procedure on these high-speed roads. So I try to stay with the flow of traffic, keeping a reasonably constant speed. The majority rules out there on the freeway and you're better off to carry your democratic principles with you when you get behind the wheel of an automobile. If you would like to drive more slowly than the mass, then stick to the right-hand lane or else drive on the old roads.

All Star Games Scheduled For 4th

American Division

The PAL Giants will meet the American Division All-Stars in the annual Fourth of July All-Star game. The game will be played at Westlake Park at 12:45 on the fourth of July.

Cornell Holmes has two great pitchers to send to the mound for his PAL Giants—Dave Pinelli and Don Shotts. The Giants, with a 10-5 record lead the American Division of the Midget League.

Competitive nature of the division is shown by the fact that the Giants, while leading the league, have dropped five games. Players responsible for the Giants holding the top spot are Acituno, T. Harrison, Manis, Rolina, Pinelli, Burger, J. Harrison, Gregory, P. Oliva, Lemke and Stein.

To Chuck McGuigan of OLP and Joe Cardera of Holy Angels, has fallen the honor of coaching the American Division All-Stars. They have a dream team in the making—for mound chores they can call upon Abe Shaffer of Miracks, Tom Scott of the Holy Angels Lions, Paul Gilschinski of the OLM Dons, Smokey Morton of the PAL Braves, Fred Balloetto of the PAL Redsox and Gar Tompkins of Harrison Realty.

Other outstanding players listed at this time include Russ Frederico, Tom Owens, Doug Margen, Mark Holmes, Don Gordon and Dana Marcus.

Several other American Division stars are to be added. The game promises to be a great one with a slight edge going to the All-Stars.

Admission is free, and all are invited to bring a picnic lunch and enjoy it on the lawn before the game. If you have portable chairs, it is advisable to bring them as seating will be limited.

Rec Facilities Closed July 4

The department of recreation announces that all recreational facilities with the exception of Westlake Park and Marchbanks Park will be closed on Thursday, July 4. The regular supervisory schedule will be resumed on Friday, July 5. For a safe Fourth of July, why not plan on watching one of the All-Star baseball games at either Marchbanks or Westlake Park, commencing at 1 p.m.

Baseball fans will not need to leave home to see baseball games on the Fourth of July. Four local All-Star games of Recreation Leagues are set to take to the City's diamonds during the day. A complete run-down of the events will be found on this page.

BYA Wins Two, Moves Up Notch

Highlights of the week in the Intermediate League was the Relish Bakery win over the league leading PAL Dodgers. Vic Verby was the hero for the Bakery boys giving the

Dodgers 5 scattered hits and accounting for 2 of the Bakery RBIs. Sandoval and Stang also collected 2 RBIs for the Bakery. Relish picked up 8 hits from Chervelera and n d Howe. Anibala hit a big triple for the Bakery. Final score—Relish Bakery 8, PAL Dodgers 2.

The PAL Dodgers had another close call as the Holy Angels Shamrocks came within one run of turning the trick. Johnny Provenza turned the tide with a smashing double that RBI'd the winning run. Dennis Dickey tossed a 3 hitter for the Dodgers. A lot of new faces appeared in the Dodger line-up and did a fine job. Bruce Russell and Greg King helped the defensive cause.

BYA Relish Bakery and the OLM Aces played a bang up ball game. With the score tied 9-9, Jim Feldman singled and stole second. Yogi Brenk drove in Feldman with a single. Mario Sandoval was the winning pitcher for the Bakery. He helped out at the plate with 2 triples. This win put the Bakery in 2nd place.

American Division

Cornell Holmes' PAL Giants held onto their right to meet the American Division All-Stars on July 4 by defeating the George Harrison Realty nine with a 5-0 shutout. Dave Pinelli was on the mound for the Giants and allowed the Harrison boys only two hits while fanning 11. Gar Tompkins, for the losers, failed to walk a single man but gave up seven hits. A big double by Manis drove in two Giant runs while Pinelli, Harrison and Gregory drove in the other Giant tallies.

Holy Angels' Lions roared back into the win column this week as they tied off on OLM Dons. Doug Matgen was the big stick with a triple and a double with the bases loaded. Horton and J. Mingram also pounded the ball well for the Lions.

Gilschinski hit two triples for the Dons and scored both runs, but Tom Scott kept the rest of the Don team in check from the mound.

The PAL Redsox seem to have finally jelled. They edged out Miracks in a real close, 6-5, ball game this week. Fred Balloetto handled the hill for the Sox and gave up only two hits to Mirack batters. Balloetto helped win his own game with two for three and scored two runs. White hit two for two for the Sox.

Abe Shaffer took revenge later in the week. Getting even for the way the Redsox hit him, he almost shut the door in the face of Harrison Realty. Shaffer faced 18 men, issued one walk, allowed one hit and K'd 14 batters in the 3-0 win. Miracks scored in the fifth on singles by Hilsendager, Shaffer and Noryko, then again in the sixth on singles by Hilsendager, Vigizzo and Shaffer.

Awards Given Cub Pack 244

Fifty-five Cubs of Pack 244 saw a Giants baseball game on June 13. From all reports brought back by the boys, everyone had a real good time.

Awards given during June are as follows: Den 1—Steve Merlo, bear badge, a gold and silver arrow.

Den 3—Mike Solari, wolf badge; Arthur Reyes, new boy award. AOK badges went to Dean Barnes, Arthur Reyes, Marty Lemp, Mike Solari, Peter Woolery and Steve Camp.

Den 4—John Bomba, bear badge; Jimmy Cranna, wolf badge and gold arrow; Joseph Alanzo, wolf badge, gold and silver arrow.

Den 5—Danny Desmon, wolf silver arrow. A skit was put on by the committee on the topic of recruiting parents. Whether or not the skit had any effect was not determined. However, some Goias, bear badge.

Webelos Den—Darrell Reed, of the mothers did step forward and offer their services. The pack is still in need of a scoutmaster. It is hoped that by September one or two of the fathers will be available to help start a Scout troop.

Three adults and twenty-seven boys will attend a show at the Ice Follies on August 13. Unfortunately the pack was unable to get reservations for all the boys to attend, so names were drawn from a hat to determine what boys would go. The boys who will not be able to attend this year will be the ones to go next year. The boys whose names were drawn will be notified.

There will be a committee meeting on August 26 at 8 p.m. at 448 Florence. Old and new Den 6—Roger Chevez, wolf badge and gold arrow; Hank committee members will attend this meeting.

The attendance cup was won by Den 3, and the honor flag was won by Den 6. Going boating? Then here's a Red Cross tip: be sure your anchor line and anchor are attached before leaving the pier so they'll be ready when needed.

National Division

Al Antraccoli's OLM Leopards have won out in a close race with the PAL Cardinals to face the National Division All-Stars in the Fourth of July All-Star classic.

Coach Antraccoli's team is an excellent representative. Though they hold a small lead, this is characteristic of the play in this division.

Sporting a slight edge, the Leopards enter the game as favorites on the pitching of Dave Spieth. Backing Spieth with such outstanding players as Steve Gilmore (in his fourth year with the midgets), Glen Phillips, Russ Hampton, Steve Roche, Dan Caffey, Jeff Becker, John Irvine, Bill Antraccoli, Tom Marshall, Joe Arake, Jim Churchwell, Maurice Pelisier, Vic Schoenstein and Peter Antraccoli.

Meeting this tremendous team will be an equally bright galaxy of Daly City stars. Coached by Les Bastedo, long-time coach of the PAL Yankees, Coach Bastedo will have a hitting ball club to face the pitching of Spieth. Marvin Manzanarez of the PAL Indians and the big stick of the PAL Braves, Dana Marcus, lead the group. Jerry Garibaldi, Gordy Contreras, Joe Morch, Timmy Dillon, Smokey Morton, Joel Lessor, David Bais, Ron Hackett and others promise some fancy platwork from the All-Stars.

The game is a toss up, pitching against hitting.

One year after the telephone was invented in 1876 the publisher of the San Francisco News-Letter had a wire installed between his office and his home.

'Socks' League Starts Monday

Opening night of play in the junior high teen club "Socks" league is set for Monday night, July 8, at Colma Upper School. Each of the six clubs sponsored by the Daly City Recreation Department is planning to enter one team each in both the boys and girls divisions.

Teams will compete on a round robin basis in both divisions with games getting underway at 6 p.m. each Monday. The first and last two games of the schedule will be played on the Colma fields with the middle two games moving to the Abraham Lincoln School diamonds.

Highlighting the "socks" league play will be a special event following most of each

Rec Dept Program; A Summer Success

The second week of the Daly City summer program has continued to be an overwhelming success and the reports still flow with many adjectives describing the fun for all youngsters.

Woodrow Wilson

Woodrow Wilson school saw many fast four square players turn out for the first of the weekly tournaments. The "champ of the week" in the seven to nine year old group were Pattie Steels for the girls and John Stamm for the boys. In the 10 and 11 year old group, it was Fred Garcia and Sharon Hansen. All these winners qualify for the Junior Olympics and watermelon feed on August 22.

Colma

Basketball games were one of the highlights at the Colma playground last week. A few of the standouts were Bob Bezak, Bud Meek, Bob Sutter, Mike Jones, Ralph Fornessa, Joe Olivera, Ron Tafava, Phil Chervallera and Steve Rollings.

Ladder tournament leaders at Colma are as follows: Chess—Mike Jones. Checkers—Bob Rezak. Ping Pong—Tom Snodgrass. Paddle Pool—Ralph Fornessa. Pool and Ring Toss—Carl Sciandri.

Lincoln Park

Roy Garcia was the winner of the 4 Square tournament at Lincoln Park last week. He won the 12-15 age group title and had the best record on the playground. Linda Torrez won the girls' 9-11 crown and her score also topped the girls in the upper age bracket. Her sister, Michele, was runner-up in the 9-11 group. Fred Fernandez emerged as a fine kick-ball player last week.

The first of the city-wide tournaments took place Tuesday afternoon with the game being 4 Square.

Champions Marcia Sellers (9), Tommy Langley (9), Barbara Joseph (11), Billy Sellers (10), Margaret Lybrand (13) and Leighton Ah Po (13) will compete with other playground winners in the end of the summer Junior Olympics. Alternates for this tournament are Maureen Graves (9), Chris

Jacobs (9), Pat Lubrand (11), Joey Thrush (10), Ellen Al-manson (13) and Roger Langley (13).

Frankfort Park

The tournament of the week was 4 Square. By far the best match of the tournament was in the boys' 12-15 division where Jim Ramey in a ruggedly contested match nosed out Mel Bridwell.

Daniel Webster

Last week a 4 Square tournament was held at Daniel Webster playground. The winners and the runners-up were as follows:

Ages 7-9 boys was won by Mark DellaPietra with Ken Urrutis coming in second.

Ages 10-11 girls was won by Kathy Bohn and Laurie Feld came in a close second.

Boys 10-11 was won by Tim Orton, who had a hard time defeating Chris DellaPietra. Anna McCarrick defeated Joanne Stennet to win the 12-15 for girls.

In the ages 12-15 boys, John Flemer proved he was the best of the 20 contestants who competed. Nathan Kaufman was a close second. In ping pong last week, Snapper Marlar, Don Colclough and Ann McCarrick were undefeated in their respective age groups.

Vista Mar

Dave Bauer has been selected as junior assistant director at the Vista Mar playground. Dave has shown leadership and a spirit of loyalty.

Debbie and Barbara Luz, along with Tina Caggino, are the girls of the week at Vista Mar. All three of the girls participate in creative dance, jewelry class and Vista Mar's special trip every Friday. If these girls keep up the good work, they have a chance to be girls of the month.

Pauline Brown

This week at Pauline Brown the children learned a new game, which is called "Carrom Golf." A par has not been established for the course as yet but several children who are especially interested in the game will be asked to do this.

Some of the children who have received good scores at this game so far are Johnny

Anagnostos, Phil Skarlanic, David Skarlanic, Stan Staub, Gary Turbin and Lisa Kaplan.

Our Lady of Mercy

A ping pong ladder has officially begun and will end in August. There are two brackets, 7-9 years and 10 years and up. Anyone may add his or her name to the ladder during the course of the tournament.

Among sign-ups are Susan and Robbie Bennet, Tom Dwyer and Larry Jaba.

Olympia

Last Thursday saw the termination of the week-long ping-pong tournament at the Olympia school playground. The semi-finals saw James Opp, Ron Wachter, Jim Weissberg and Joey Borelli battling it out for the championship.

After four games of heated play, Joey Borelli emerged as the champion. Jim Weissberg was runner-up. Four Square champs of the week are Joey Borelli, Melanie Spiegelman and Kathy Noonan.

Advanced Arts and Crafts

Certificates of merit are being awarded in the Advanced Crafts classes in gemstone, jewelry, copper tooling and mosaics this week. For the best effort in originality as well as neatness, certificates are being awarded to the following:

Leopards Tie Nat'l Loop Race

The OLM Leopards moved into a 1st place tie in the National Division of the Midget League this week with an assist from the Bender Roofing Cats. The Cats caught the Birds and down went the PAL Cardinals from sole possession of first place. Belli Golden upset with a single

in the first, followed by a double from McGuigan, and then Abbott walked. Brown and Ragland both following with singles. Joel Carrara held the Birds down with 12 strikeouts. Hackett and Gevertz scored for the Birds but to no avail as they tumbled from first place 6-2.

David Bias put the PAL Indians on the victory trail with a 5-2 win over the PAL Yankees. Bias allowed the Yanks two hits and struck out nine.

Tigers Favored Over All Stars In Junior Bash

The Junior All Star game looks like a real downybrook this year with the PAL Tigers meeting the Daly City All Stars. Coach George Pedroni and his Tigers are slight favorites over the All Stars.

The Tigers have a real powerhouse as their 12 and one record shows. Morin, Agar, Senn, Cardozo, Erdmann, T. Jones, Alfonso, Arnot, Schmidt, Metz, Stanley and Belvin proved their mettle by taking 10 hits off Jim Davis of the OLM Saints this week.

These boys will face a tough All Star group consisting of Ron Mini, Irv Jones, Felix Bria, Bob Banos and Keith Stroller—PAL Cubs; Tom Smith, Marv Smith and Otto Villias—BYA Skyline Plaza; Andy Siorida, Mike Chelone and Mike Parodi—OLFT; Pat Hopkins, Joel Wineberg and Marty Warmouth—OLM Saints.

The All Stars will be coached by Bob Kramer of the PAL Cubs. Game time is 12:45 p.m., July 4, at Marchbanks Park. Admission is free.

Mary Manzanera put the Indians ahead with a two run double. The Yanks came back and evened the score but a triple by Bias put the Indians back in the lead as they took the Yanks.

Smokey Morton tossed a three hitter for the PAL Braves against the Holy Angels Colts. Dana Marcus went three for four, Dave Mabeli hit a big triple and Billy Wallace a double, while little Jimmy Gentile picked up his first base hit in the 5-3 win. Joe Morch had walk trouble for the Colts but continues to show improvement.

Jerry Garibaldi of the PAL Yanks had a 3 for 4 day against the Holy Angels Colts. His 3 for 4 accounted for five RBIs. Final score Yanks 5, Colts 1 as McArthur kept the Colts in check.

The Bender Cats coming off their win over the Birds were caught napping by the PAL Braves. Nick Gentile chucked a two hit shutout against them. Dana Marcus figures in the win with two tremendous homers. Billy Meek and Billy Wallace helped out in the hit parade while Jim "Halfpint" Gentile spark-plugged the Brave defense.

Tri-City Baseball League Gets Underway

Opening round play in the Tri-City summer baseball loop sponsored by the Daly City recreation department got off to a fast start Sunday with all six teams in action. Pitching was the keynote to Sunday's inaugural games with both the winning and losing pitchers coming up with some top-notch hurling.

The Jefferson A. C. club, behind the two-hit shutout pitching of George Egan, stopped the Gary Kenney-coached El Camino A. C., 4-0, in the first game at Marchbanks Park. Many former Daly City Midget and Junior stars who have progressed to this more highly competitive league contributed to their team's initial victory.

Denny Navarra, Jerry Benson, Bob Bias, Pete Berry, Tom Pritchard, Frank King and Dan Caffarella combined their timely hits and defensive play in supporting Egan's victory. El Camino A. C. pitcher Gary Anderson allowed only four hits, but the Jeff bunch was tough in the clutch.

Backed by errorless ball of his teammates, Westmoor BYA chucker Mike Krnich pitched and batted his team to an 11-0 victory over the Banlieff Construction team of South San Francisco. Striking out 11

and allowing only two scratch singles, Krnich collected three hits in leading the well-balanced Westmoor attack. Third sacker Karl Fleischauer was three for three, scoring two runs, and Gred Brenk drove in two runs with timely singles to notch the victory for the hilltop boys.

In the day's closest battle, the San Francisco Saints defeated the South Sunset A. C. behind the five-hit pitching of Jim Papalias and the clutch hitting of Bob Warnke. Butch Sanguinetti, John Valero, Mike Stevenson and the aforementioned Warnke each collected two hits for the winning club.

South Sunset A. C. center-fielder Dave Johnson went 2-3 in a losing cause. The Saints' roster is composed of many players from the Excelsior Midgets and San Pedro Lunch junior team of a couple of years back.

This new league has developed as an outgrowth of the pee-wee-midget - intermediate-junior baseball program sponsored by the Daly City recreation department and is for freshmen and sophomore boys who have not reached the age of 16 by December, 1962. Second round play slated for this

Sunday finds the Westmoor BYA squaring off against the South Sunset nine at 12:30 p.m. at Marchbanks Park with the Banlieff Construction-El Camino A. C. game following at 3 p.m. Saturday will see a battle between the victorious Jefferson A. C. and Saints at Marchbanks Park at 1 p.m.

Daly City Man Named Head Of Toastmasters

Edward Dominion, the assistant city engineer for Daly City, has been nominated governor of Area Five of Toastmasters International. Dominion takes the chair from James M. Shea of San Mateo.

Area Five of the Toastmasters includes northern San Mateo county and is composed of five clubs with a total membership of 150. Dominion said that his aim while in office is to build greater unity between these organizations.

Dominion is the past president of the Lake Merritt Toastmasters Club in Oakland and has served as president of the Daly City club.

It's SPARE TIME

"Fearless Fred" Thompson returned to the limelight after a year's stay in Sacramento by leading the Classic Doubles for the week with a big 242 game and an 807 total for the four games.

First prize in the Friday afternoon No-Tap Sweeper went to Kay French with a 712 total while four pins behind in second place was Sharon Sylvester.

Jim Storm needed two pins to become a member of the Westlake 600 Club as he led the Golden Gate Handicap League with a 221 game and 598 series.

Dick Rentschler renewed his membership in the 600 Club without a pin to spare as he was top man in the American Masters 900 League with a 600 series on a high game of 207.

In the Tuesday morning Trio League, Jean Magliano took high game honors with 186 while Doris Arnett rolled 456 for high series.

The 815 Scratch League produced another high roller Monday night as Len Navarro led the field with a 615 series and a high game of 219.

A big 231 game helped John Brown to lead the 99's Mixed Fives for the week with a 574 series.

Dave Frazier just missed a 200 game as he led the Country Club Handicap League with a 536 series with a high game of 199.

On the "comeback trail" is Ralph Ostergen who is once again rattling the pins. Last Wednesday he led the Classic League with a big 573 Series on a high game of 194.

Canco League leaders of the week were Lee Chappart with 173-472 and Mike Gibson with 210-560.

Two new leaders were posted in the Southgate Mixed Fives as Fly Tate rolled a 179 game and 475 series and Bob Zapanta posted 192 and 551.

Bill Johnson topped the March Club for the week with a 220 game and 588 series.

With over 300 bowlers competing in the first 24 hours, the Fifth Annual Daly City Police Athletic League Benefit Bowling Tournament is off to a flying start. Between now and August 4 it is hoped that \$5,000 will be raised for the youth program of Daly City. Once again members of the

Daly City Police Department have done an excellent job of collecting many valuable prizes. Early leaders were Harley Hardman and Patricia Pavson in the open division and Dick Chalka and Marian Fraser in the league division.

Mercedes Johnson again topped the Ladies 650 Classic as she rolled a tremendous 243 game and 579 series.

Dick Campana led the way in the Early Fives Handicap League as he rolled a 207 game and 522 series.

Rita Goodwin's 196 game and 460 series gave her both high game, high series honors in the Friday morning Scratch Trio League.

The 64 spots are rapidly filled for next Saturday's Midnight Sweeper. Westlake Bowlers with averages of 195 and under will be competing for a first prize of \$400 plus over \$800 in other prizes on a ratio of one prize for each eight bowlers. A spot may be reserved by checking with Primo.

From A Feminine Viewpoint...

Brilliant coral red starfish clinging to natural brown rock formations—playful porpoises frolicking in a sparkling new pool—gaily hued tropical fish flitting around in their new tanks—it was truly a festive and impressive occasion as newly renovated Steinhart Aquarium in San Francisco held a preview opening last week.

Definitely the stars of the opening were the porpoises who swim joyfully around in a new 62,490-gallon water tank. Viewed from two locations it is possible to watch them through glass walls as they swim in the tank or above the water from a raised platform.

Although much of the \$1,775,000 renovation is quite visible such as the new tanks and pools, much of the improvements include those underground. Water systems have been doubled, there is controlled incandescent lighting, new pipes bring fresh ocean water, and many other mechanical improvements.

Adding a great deal to the decor of the aquarium is the rock mosaic designed and made by Westlake resident, Bill Wagner. In brilliant shades of orange, turquoise, red, green, the huge mural covers one long wall.

Also a Westlake resident is Dr. Earl S. Herald who is the curator at the Aquarium.

If you are having out-of-town guests this summer or planning jaunts into the city with the youngsters, be sure to include the Aquarium in your tour. We know you'll be delighted with the many changes and improvements.

A long time resident of Colma who has served her community faithfully is our community leader this week.

With a genuine interest in the area she, together with her husband, established one of the first newspapers in the area called "The Viewpoint" for which she was managing editor.

They published the little paper from 1951 to 1956 and during that time developed quite a following. Because of the enthusiastic support of the paper the Sterling Park Homeowners group was organized and their first meeting was held at our community leader's home. Also through the efforts of the paper the first scout troop was organized.

She has also given generously of her time to organizations such as the Elks Auxiliary, publicity chairman for the Lioness group. She has served on PTA and Girl Scout committees and was area chairman for United Crusade. She is now a member of the "Mom's Club" of Job's Daughters.

We salute Janet Felser as our community leader of the week. The Felser family, husband, Sam (Asst. Adv. manager for Peninsula Newspapers, Inc.) and daughter, Marjorie (junior at Jefferson High School) have lived in Colma for thirteen years. Their home is at 488 D Street.

FASHION WHIRL: It will be a busy summer for members of Our Lady of Perpetual Help Mother's Club who will be involved in final plans for their "Memory Lane" fashion show planned for October. In keeping with the show's theme invitations have been extended to former officers of the club. Attending will be charter member, Mrs. Lorraine Wall who was first recording secretary of the group in 1939.

FASHION HINT: Warm summer days mean cool cotton prints. However in many resort areas particularly in the mountains, evenings can be quite chilly. To toss over your shoulders and be quite glamorous besides buy a matching cardigan sweater and trim it to go with each cotton print.

"MEMOS" FROM YOUR Stylist

By MR. ROBERT

In the course of applying make-up, some women appear to forget or ignore a few basic fundamentals. Keep in mind, for instance, that lighter make-up tends to bring out the area it's applied to. Conversely, areas one wishes to show less prominently, are shaded with darker make-up. Remember, too, to use a light touch to avoid the heavy, blotchy down-like effect of make-up applied too vigorously.

Something else to remember when it comes to attention to your hair is MR. ROBERT'S SALON OF BEAUTY. Whether it be tinting, styling, or a permanent given by careful, experienced operators, you will discover that your hair can truly become your crowning glory at MR. ROBERT'S SALON OF BEAUTY, 198 School St.—Phone WY. 2-1717.

THIS WEEK'S HELPFUL HINT: An artium eraser may be used to remove slight spots from light-colored kid gloves. Rub gently.

Lorraine Flores Wed To Robt. H. Hipkind

Woven baskets containing arrangements of white stock and lily-of-the-valley decorated the altar at Holy Angels Catholic Church for the Saturday wedding of Lorraine Joy Flores and Robert Harrel Hipkind.

The bride is the daughter of Mr. and Mrs. Frank Flores of 7316 Mission street, Daly City and the benedict is the son of Mr. and Mrs. Jacob H. Hipkind of 60 Surrey street in San Francisco.

Escorted to the altar by her father, the bride wore a gown of white nylon and net which was styled with a chantly lace train and long sleeves which ended in points over her hands.

The new Mrs. Hipkind's veil was secured with a crown of tiny pearls and she carried a bouquet of lily-of-the-valley, stephanotis and baby orchids.

For the double-ring ceremony, Lorraine was attended by her sister, Shirley Susan Flores, as maid of honor and Flores, also a sister of the bride, and Barbara M. McMenomy, a cousin.

The feminine contingent wore short gowns of yellow nylon net and carried arrangements of yellow carnations. Their pill-box hats were of matching yellow material.

Little Catherine Flores was her sister's flower girl, and David Mahood was the ring bearer.

Albert James McMenomy, Jr., stood with the benedict as best man for the 3:30 p.m. ceremony, while the Rev. A. Long officiated.

Steven G. McRoberts, George Stambulis, James M. Hipkind, the bridegroom's brother, and Albert James Mc-

Menomy III were in charge of seating guests.

After the wedding, a reception was held and approximately 200 relatives and friends expressed their wishes for good fortune. White lilies and roses were used in profusion, and the couple's unusually decorated wedding cake was the cause for many compliments.

The bride's father was the baker of the six-tiered delight, which was embellished with roses, swans and bells and topped by a crown and bride and groom figurines.

At the reception, Shirley Flores was in charge of the guest book at the completion of her duties as maid of honor.

The bride's mother greeted guests at the party wearing an ensemble of aqua blue, with white accessories. The groom's mother wore a beige cocktail frock, with matching accessories, and both wore corsages of white orchids.

The new Mr. and Mrs. Hipkind are honeymooning in southern California. Their engagement had been announced at a party given at the bride's home in April of 1962.

Between Us Gals!

Make Your Fourth a Festive Family Day

By Bunny Gillespie

Are you a Festive Fourth stay at home? Or does the 4th of July mean a special family outing for you and yours?

Highway statistics would indicate that most of us hit the road for our annual observance of Independence Day, seeking out and playing in the sun, visiting points of interest, friends and relatives and generally reassuring ourselves of the multitude of good things that are ours for the enjoying in the USA.

While some prefer the more sophisticated pursuits, picnicking may be in your plans, so why not plan a little further to include some of the galsties that Americans have loved for years.

Picnic games and fun need not be enjoyed only at large group outings. Make dad the recreation director while you are getting the picnic supper ready and your July 4 will not mean just another meal out of doors.

Don't be surprised, however, if your little family group gains some new members from neighboring tables as your fun is observed!

To start, how about a race? Contests of speed and skill are always fun, the equipment is rarely elaborate and any number of persons may join in.

Chop Stick Race
Place eight sticks (or clothes pins, pencils, spoons, rocks, etc.) in a row in front of two teams, spaced about 18 inches apart, or easy hopping distance from each other. Contestants hop on one foot

down row of sticks, no changing of feet and no touching of sticks while hopping over them allowed.

At end of line, player picks up last stick and hops back to start. Repeat until all sticks are retrieved. Two to 16 may play. For more, add more rows of 8 sticks each. Team getting all sticks home first is the winner.

Clanking Can Race
Players balance empty tin cans on head and hurry to finish line without use of hands to steady can. Must start over or is eliminated if can falls off. (May use paper cups, tin foil or paper plates, potatoes, etc.)

Scoop and Scramble
Place objects (potatoes, spoons, sticks, cups, etc.) in a marked area about twenty feet from players, one less object than number of contestants.

At sound (whistle, clap, balloon burst, shout) players race to retrieve objects. Player failing is eliminated.

Repeat, removing one object each time, moving starting line closer to objects each time, until winner is the only person remaining.

Coat Caravan At Penneys Next Monday

Penney's will feature a touch of desert life, starting next week when it welcomes a caravan to town.

The caravan will arrive on Monday, July 8, in the form of Penney's traveling Fall Coat Caravan, according to Mr. Don Davis, store manager.

Caravan will be at the store for about 12 days, offering fashion-conscious women an opportunity to choose from a wide selection of fall coats.

"Penney's 1963 version of a caravan will give women a chance to choose fall coat wardrobes from as complete and economical a selection as any shown in larger fashion centers," Davis said. He explained that Penney's is repeating the caravan this year because the two previous ef-

forts were so well received.

Most of the coats will feature fur-trimmed collars of natural mink, natural blue fox, dyed squirrel, natural raccoon, bleached wolf or dyed fox. Most popular fall colors are expected to be brown and wild rice along with ever popular black. Red is making a strong bid for favor this season. Coats will come in misses, junior and junior petite sizes.

Coats are replenished from town to town so that each store offers a broad assortment. The caravan will remain here until Saturday, July 20, before moving on.

The wedding date is set for September 29 at the Menlo Park Presbyterian Church. The engaged couple are both employed at U. S. Geological Survey in Menlo Park.

Family Day

(Continued from Page 1)

Survival Struggle
For this, a huge circle of rope is needed, and one orange per player.

Place contestants (boys only) inside rope, facing outward, with rope at waist level.

Place fruit four feet beyond rope circle in front of each player. Person able to reach his orange first (and eat it, if the game director chooses) wins.

Push-me-Pull-you
This is a good break-the-ice race. Two contestants form a team, with arms linked and facing opposite directions.

All teams run to target and back to finish to determine winners. Players running forwards to target must run in reverse to home base.

Sack Race
A gunny sack per player is needed here. Players envelop self to waist and hold up sack while navigating to finish line.

Three Legs
Team of two stands side by side and binds inner legs together, bandanas good here since rope burns aren't much fun.

Competing teams dart to finish line. (Not good for people wishing to retain their dignity.)

Shoe Kick
This is usually a ladies special, but why not a family contest?

Players line up and take turns kicking off one shoe (either one) for distance championship.

Plate Sailing
Here's a good finale, with the small fry usually showing surprising prowess.

Each contestant writes his name on a round paper plate, lines up and in turn sails it through the air for distance mark.

Discus throwers will be surprised at their achievements.

Egg Toss
This one requires teams of two persons who can catch as well as toss to his partner. The more teams the better, but look out behind! Spectators are warned not to crowd too close.

Equipment consists of a raw egg per team, and these are handed out, should the teams be in boy and girl sets, to the ladies. Partners face each other, in a line, about 5 feet apart.

Each lady, in turn, tosses her egg to her partner. Before the partners return the toss, the gentlemen step back one large step. Gentlemen toss, ladies catch and step back one giant step. Ladies toss, men receive and step back another step.

As the distance between the partners widens, tension mounts, eggs land in places like spectators' laps and some of the players get egg shampoo.

It's fun, but there really should be a pretty good prize for the survivors of this contest.

Have fun trying these on your outing, or in your own back yard.

Let's hear from you if you'd like to share your favorite picnic games.

Next week: Vacation car fun; part two of a series.

Alimony is from the Latin word "alimonia," meaning nourishment.

Hostesses Wanted For County Fair

Peninsula amateur gardeners who will serve as hostesses for the San Mateo County Fair and Fiesta will be honored at a pre-Fiesta hostess tea on July 11 at 2:30 p.m. in the Pasha Room of the Hyatt House in Burlingame.

Presidents of the 25 Bay Ocean District clubs represented in the Fiesta's amateur division are also invited to attend the annual event, according to Mrs. George Panaretos of Hillsborough, the assistant chairman of the amateur division exhibits.

Mrs. John Scholkowsky of Belmont, official hostess chairman, will outline the volunteers' duties for the nine-day fair and fiesta, August 2-10.

The fiesta hostess service, initiated in 1946, aids fairgoers in touring the lavish displays of outdoor gardens, cut flowers, floral arrangements and potted plants exhibited in the amateur division.

Newlywed Chuck Culleys To Tour The Southwest

A trio of feminine attendants preceded Michelle Rossi down the aisle of St. Martin's Episcopal Church last Saturday as she became the bride of Charles Eugene Culley.

The new member of the young - matron set is the daughter of Mr. and Mrs. Victor Rossi of 37 Westline drive, Daly City, and her husband is the son of Mr. and Mrs. H. E. Culley of 678 Stoneyford, Daly City. Both young people were graduated with the Class of '62 from Westmoor High School.

For the 2 p.m. wedding, Michelle donned a full-length gown of white lace and organza, fashioned with a bouffant skirt and waist-length sleeves. The bride's bouquet was of white carnations.

Mrs. Red (Darlene Granger) Fraten served as the matron-of-honor for her former WHS classmate. Angela Tugate of San Francisco was her cousin's bridesmaid and Mrs. Steven (Pat) Dockstadter, the bridegroom's sister completed the female corte. All of the girls wore hand-fashioned frocks of lavender taffeta, styled with bell-shaped skirts, short sleeves and scooped necklines. Their short lavender net veils were held by a single artificial white rose and they carried bouquets of white and pink carnations.

Dave Kazakoff was the best man for his former WHS buddy and the ushers were Steve Attell; James Rossi, the bride's brother, and Phil Culley, the bride's brother. Officiating at the ceremony was the Rev. Richard P. Fowler.

Following the nuptials, a large group of friends and relatives gathered at Toto's Restaurant to greet the newly-

weds. Floral table centerpieces and a triple-tiered wedding cake, surrounded by white carnations, added to the bridal decor.

After the wedding party, the new Mr. and Mrs. Culley left for a two-week honeymoon trip which will include a visit to the Grand Canyon. When they return, they will reside in a Westlake apartment.

Michelle, the grand-daughter of Mr. and Mrs. John Rossi of San Jose, is the sister of Johnny Rossi, who at-

tends Benjamin Franklin Intermediate School; Vicki Rossi, who is a student at WHS, and Jimmy Rossi.

Chuck, who was a member of the wrestling team at WHS, is the grandson of Mr. and Mrs. T. E. Culley of Ruppert, Idaho. His siblings, in addition to Mrs. Dockstadter, are Phil, who attends WHS, and Clifia, 10, who goes to Vista Mar Elementary School.

Michelle and Chuck had announced their engagement on the eve of their graduation from Westmoor.

War veterans are not the ly U. S. veterans eligible or federal benefits under the ws of the United States, ac- cording to Floyd D. Granger, an Mateo County Veterans' ervice officer. Peace time vet- ans get benefits, too.

For example," says Granger, veterans of peacetime service ay be eligible for VA com- ensation, payable at 80 per cent of the wartime rate, for iseases or injuries incurred r aggravated in service, pro- ided they were discharged or eparated under other than dishonorable conditions."

In addition, Granger points ut that dependency and in- emnity compensation may be aid to widows unmarried hildren (usually under 18) and certain parents of serv- en or veterans who died on r after Jan. 1, 1957, from a disease or injury incurred or aggravated in line of duty hile on inactive duty train- ng, or who died from dis- bility otherwise compensable nder laws administered by the Veterans Administration.

An invitation to children who may not regularly attend the Temple Methodist church school to attend the vacation school was extended by Mary Ann Hoffman, director of Christian education at the church, which is located at 19th avenue and Junipero Serra boulevard.

She said a registration fee of \$1.25 per child, or a maximum of \$3 per family, will be charged to cover cost of materials. Registration will be on July 8, first session of the school, or pre-registration may be made during regular Sunday church school sessions.

Miss Hoffman and Mrs. John Poelstra, chairman of the planning committee, pointed out that the theme "Widening Relationships" will help

the young people extend their personal horizons through a number of specific areas related to age groups.

Kindergartners will study growing in awareness and concern for other people both at home and in far away countries. Primary children will discuss "Friends from Many Lands," helping them grow in appreciation that we are all children of one Father, and learning to recognize and respect the many good things that friends from other lands bring into our lives.

Juniors will deal with such areas as "What It Feels Like to Be a Stranger," "People Are Persons," and "Belonging and Feeling Left Out," all under the general theme of "Meet Your Neighbors."

Junior high school students will seek answers to the question, "How Big Is Your World?" Mrs. King and Mrs. Michener, co-superintendents, also announced the list of departmental superintendents, as follows:

Kindergarten: Mrs. John Poelstra. Primary: Mrs. Don Bissett. Junior: Mrs. Bruce Matthews. Junior High: Mrs. Joseph Stokes.

These departmental superintendents will be assisted by grade level teachers and assistants.

Sessions will be held from 9:30 to 11:50 a.m. each day, Monday through Friday, July 9 to July 19, at the Temple Methodist Church, 19th avenue at Junipero Serra boulevard.

A wading pool can be lots of fun for your children. Your Red Cross reminds you, however, that it is only as safe as you make it. Never—under any circumstances—permit youngsters to play in your wading pool without adult supervision.

Independence Day

"We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable rights, that among these are Life, Liberty, and the Pursuit of Happiness."

These words were written nearly two centuries ago and are part of the Declaration of Independence, the signing of which we celebrate on July 4th. This one sentence embodies what most of us like to think of as the "American Way of Life."

Obviously, not all Americans are enjoying the "unalienable rights" which Thomas Jefferson wrote about. The news each day is of riots, arrests, and difficulties in all parts of our Nation, particularly the South. The fact of race or color of skin, or religious belief continues to make a difference to many people.

Interestingly enough, the men who met to throw off the bonds with the British Empire, were mostly concerned with their own welfare. They were seeking to make America secure for the propertied classes—many of them owned slaves whose descendants now seek to enforce their own "declaration of independence."

There is a real "war" going on now as these minority groups seek to establish what they believe to be their rights. We are in sympathy with their desire to have equal access to the fruits of American Life. They will in time achieve their goal.

Meanwhile, we do object to the idea that they are "entitled" to share proportionate to their numbers, regardless of ability, or to the idea that a man must dispose of his property because someone of a particular race or belief wants to buy.

The right of life, liberty and pursuit of happiness applies to the majority as well as to the minority.

TV and RADIO

By Mona Baker

Record sales of 5 million in 13 months is the amazing success story of one of television's bright new stars, Jimmy Dean who was in town to meet the press and host the "Tennessee Ernie Ford Show" while "Ole Ern" is vacationing.

Premiering in the fall on Thursday evenings over ABC, KGO-TV will be an hour-long comedy-variety show starring the popular Texas singer-humorist.

The young star has a genuine, warm down-to-earth quality about him that is reminiscent of Will Rogers. He talked about a farm he owns in Virginia and about his family. Remarking that he "has three kids" he said that his oldest son was graduating from 6th grade and he would miss the ceremony because he had to come to San Francisco.

In a few short years Jimmy has established quite a record

in show business. His recording of his own composition "Big Bad John" sold over 2,500,000 copies. He has appeared on all the major variety shows including Perry Como and Ed Sullivan. While making personal appearances last year at state fairs he broke all attendance records.

FALL NEWS: Promising to be one of the highlights of the coming fall season will be the news dramatic series "Bob Hope Presents the Chrysler Theatre." Appearing during the year will be many noted stars making rare TV appearances including Jason Robards Jr., Stuart Whitman, Eleanor Parker, Melvyn Douglas and Jeffrey Hunter.

TV DATES TO JOT DOWN: Over ABC, KGO-TV, special news report on President Kennedy's stay in Berlin.

Pampering His Pet

The View From ... Behind the Badge

Written and Edited by Daly City Police Department

The writer seriously doubts that having a "week" for anything really attracts the attention of the public. We all know, for example, that the special "weeks" held in this county outnumber by far the 52 weeks on the calendar.

If this be true, then, "weeks" are only of interest to the people directly involved in whatever it is that this period of time is supposed to miraculously promote and make so.

I was told to write an article about a week which was held in early June. It was called Burglary Week. It was finally decided, though, to run this article several weeks later, when most readers (if they read about "weeks" at all) will have forgotten about the special week. Perhaps this will serve as a reminder that burglaries must be considered all year around, and not just on one week.

And we are not going to mention "week" again—we are just going to talk about the primary problem—burglaries.

Last year we had 298 burglaries in our city. We proved that one of these reports was unfounded and not a crime at all. We were able to clear 70 burglaries by arresting the responsible thieves. That means that 227 burglaries are unclear for that period of time.

These are unclear because it is very difficult to investigate burglaries. Sure, we catch people, and lock them up and bring them to court. But the percentages are not nearly so good for clearance as they are for other crime clearances.

One reason for this is that burglars work in a house or

building, and that they are not really seen. They are often mistaken for the householder, even by the neighbor who actually observe them. It is almost axiomatic that burglaries, like so many other crimes, are best prevented, rather than solved.

The police can and will patrol the neighborhoods as best they can—but it is the property owner's responsibility to take down the "Burglars Welcome" sign from the front door. He does this by carrying out several simple duties.

He will arrange for a friend or neighbor to keep the stoop clear of the accumulation of circulars and throw-aways that will certainly collect during a vacation absence. When on vacation, he will either stop delivery of the daily paper, or will have it sent to his vacation address.

He will stop milk and cleaning deliveries, and he will ask the postoffice to hold his mail, or will have a neighbor collect it for him. This is done so that a bulging mail box will not loudly announce the occupants' absence from the abode.

The householder would do well to connect lamps to an automatic timer switch so as to have lights go on and off at normal hours, thus giving the illusion of occupancy of the home. He will fasten all screens from the inside, and will place valuables in a safe deposit box rather than leave them laying around an unoccupied home.

He will also prevail upon that same good neighbor (perhaps enter into a reciprocal agreement to return the favor) to sweep his walks and

NEWLY ELECTED officers of the Westlake Merchants Association of the 91-store Westlake Shopping Center are (from left): Bob Morford of the Westlake Music Center, vice president; Leo Van Lougher, Westlake Pet Shop, treasurer; Bert Feltinton of Bloom's Shoes, president; and Tillie Green, W. T. Grant of Westlake, secretary.

mow and water the lawn once a week during a vacation absence. This will give the house a "lived-in" look, and it will not be a burglary beacon.

Certainly, these things will not prevent all burglaries. But they will tend to prevent many. These are such a thing as making it easy for the thief to spot a likely target for his depredations. This can be made more unlikely by following the suggestions contained herein.

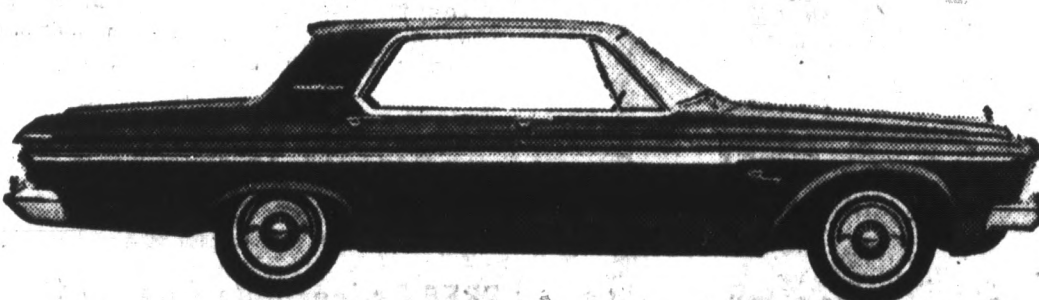

After the householder has done these things, he can go on his well-earned vacation and enjoy himself—but we hope he remembers to make the newspaper announcement of his return from vacation, rather than announcing his intended vacation. Otherwise, he may undo all of the other precautions which he has taken.

No one can be blamed for wanting privacy on a day of fun. But use it for something other than swimming. Too much privacy could be tragic. Your Red Cross says—ALWAYS SWIM WHERE THERE'S A LIFEGUARD. He's there to help when help is needed.

County Crusade Goal \$660,000

Leonard J. Bardley, 1963 chairman for the United Crusade of San Mateo County, reported to members of his campaign cabinet on June 26 that the county crusade will have a total goal of \$660,000.
The figure represents a seven per cent increase over the total amount raised in the 1962 campaign and in San Mateo County's share of the \$11,407,000 goal for the five-county United Bay Area Crusade.
The annual crusade helps to support a total of 183 participating agencies and their 80 branches in the five counties. There are 27 crusade agencies in San Mateo County.
The campaign scheduled for next fall will use the same theme used nationally last year of "One Gift Works Many Wonders," as developed by the volunteer advertising agency of Barton, Batten, Durstine & Osborn, aboard for the second year.
Linwood M. Day, public relations chairman, reported that public relations activities in San Mateo County will be closely linked with those in the four sister counties of the federation.
Virtually all of the key volunteers for the campaign discussed the crusade.
